In connection with the enforcement of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA, or the Act) as amended, 7 U.S.C. § 136 et al., the U. S. Environmental Protection Agency has examined samples or other evidence, with respect to the above listed shipment and has granted you an opportunity for a hearing.

It appears that the product is not in compliance with the Act and is subject to refusal of admission due to the following violation(s):

 - Product label is not legible.

The Agency hereby notifies you that your merchandise has been refused admission. You must export this merchandise, under supervision of the U.S. Customs and Border Protection (CBP), within ninety (90) calendar days from the date of this Notice (or within such time as otherwise specified by the EPA) or within such additional time as the District Director of CBP specifies. Failure to do so may result in either the destruction of the merchandise as authorized by the Act, or, if the shipment has been released to you under bond, in any action necessary to enforce the terms of said bond.

If any of the above listed reason(s) is/are erroneous, please let us know. If you have any questions, please contact Ms. Kimberly Tomczak at (404) 562-8987 or tomczak.kimberly@epa.gov.
